It's easy to spot animals like elephants and rhinos, but what about ocelots, naked mole rats, or geckos? Campers will uncover the secrets of smaller animals and the important roles they play in our world. You don't have to be big to make a huge difference!	Calling all kids who love to run, jump and play outside… animals like doing all those things too! Campers will learn how animals act naturally wild in their homes at the Zoo and experience up-close animal encounters as they think of creative ways to enrich our animals.	Many of the most famous animals come from the wilds of Africa. Discover how lions, rhinos, gorillas, ostriches and more survive on this incredible continent. Campers will learn all about fierce predators, majestic plant-eaters and the people who work hard to protect them.

Wild Discoveries	Art Camp - Artsy Adaptations
•Dates: June 22-26, July 20-24 •Options for 5-8yr Olds: Half-day or Full-day •Options for 9-11yr Olds: Full-day	•Dates: June 29 – July 3, July 27-31 •Options for 5-11yr Olds: Full-day (only)
Let your inner scientist run wild as you learn how to make discoveries just like a field scientist! Campers will learn about amazing animal discoveries from around the world and be engaged with how they can help to conserve the natural world.	Inspired by the incredible colors, patterns and shapes of the animals they'll meet, campers will craft and color their way through a fascinating journey covering how animals are beautifully adapted for their environments.

Purchase up to five straight weeks of camp without ever repeating a topic!

What does it take to become a zookeeper? Well, you have to be passionate about animals, know what they need to be healthy, how to train – oh, there's so much to experience here! Find out all the tricks of the trade in Animal U, a hands-on and in-depth camp for the kids that love animals!	Explore the Zoo through up-close animal encounters and guided tours as you learn how technology is used to care for and conserve animals. Then, learn to use engaging technology from the Arkansas Regional Innovation Hub as you explore virtual reality, 3D printing, and enjoy hands-on activities such as screen printing, laser cutting, drone flights, and more!	Being in charge of a Zoo full of unique animals is a challenge, but it's exciting and important work. From the keepers to the educators, from veterinarians to visitor services, campers will learn about how a Zoo works to make this world a better place for all. If you want to learn how to run a Zoo, this camp is for you!
