The Arkansas Zoological Foundation is a 501(c)(3) non-profit dedicated to growing and developing the Little Rock Zoo. Recently, the Zoo Foundation has raised funds for the Laura P. Nichols Penguin Pointe exhibit, the Laura P. Nichols Cheetah Outpost, the Diamond Express Train and the Susan Jones Citizen Science Center.

The Wild Club is a donor level program that directly supports the Arkansas Zoological Foundation. Wild Club benefits include a 12-month **Household Plus** level membership for daily admission to the Little Rock Zoo with an extra guest, four free rides on our train or historic carousel, and complimentary tickets to our largest fundraising event. Joining the Wild Club also contributes to an organization dedicated to building new exhibits at the Zoo and making the Zoo a better place for all Arkansas families.
